For those wanting a great-value, all-inclusive holiday that comes with everything on a plate and not just food and drink, [Olhuveli Beach & Spa Resort](http://www.olhuveli.com) have launched a brand-new 'Emerald' package, tailor-made especially for couples. This guest-pass to the best that paradise has to offer is worth **£860 per person** of added extras including fine dining, excursions, watersports and spa treatments.

The Emerald package includes everything from sunset cruises to an in-villa breakfast in bed, taking away the stress of having to organise an itinerary – all guests have to do is show up! Providing a plethora of benefits when it comes to gastronomy, guests can enjoy a choice of destination dining options, unlimited premium brands of beer, house wine and spirits, afternoon tea every day, a daily replenished mini-bar, special cocktails and a platter of tropical fruit.

Located on the tip of South Malé Atoll, Olhuveli is a romantic island retreat with stunning beaches, abundant sandbanks and a breathtakingly clear lagoon. For those wanting to explore, the Emerald package offers free snorkelling equipment, daily snorkelling safaris and a dolphin cruise, taken at sunset and enjoyed with a glass of Champagne and canapés. And when it's time to contact loved ones back at home with happy holiday news (or add a smug status update to Facebook), the Emerald package provides complimentary internet access.

When it comes to relaxing and indulgence, the Emerald package's pièce de résistance is the access it gives guests to the luxurious Sun Spa. Couples can enjoy one spa treatment each and unlimited use of the hot tub, plunge pool, saunas and jets in the hydrotherapy area. What's more, for those wanting that extra special romantic night, the discreet resort staff will run a sweet-smelling flower bath and provide a beautiful turn down service in the bedroom.
